

## Author Copyright Agreement

Inderscience Enterprises Ltd, trading as Inderscience Publishers, of World Trade Center Building II, 29 Route de Pre-Bois, Case Postale 856, CH-1215 Genève 15, Switzerland ("Inderscience")

If your article has been accepted for publication, each author must sign a copyright agreement form after reading the Explanatory Notes below and either (*for online submissions*) follow the online instructions or (*for email submissions*) send the signed forms, in electronic format, to the Editor (or other recipient as advised by the Editor of the specific journal), together with the final version of the article.

So that we can ensure both the widest dissemination and protection of material published in Inderscience's journals, we ask authors to assign copyright in their articles, including abstracts, to Inderscience. This enables us to ensure copyright protection against infringement, and to disseminate your article, and our journals, as widely as possible.

1. In consideration of the undertaking set out in paragraph 2, and upon acceptance by Inderscience for publication in the Journal, [insert the full names of all authors, reflecting the name order given in the article]

Khalid Belhajjame, Valeria de Castro, Javier Espinosa-Oviedo, Martin A. Musicante, Placido Souza Neto, Umberto Souza da Costa, Genoveva Vargas-Solar and José-Luis Zechinelli-Martini  
hereafter 'the Author' hereby assigns and transfers to Inderscience, the copyright in and to [insert article title]  
**pisodm: Building SOC Applications in the Presence of Non-Functional Requirements**

hereafter 'the Article' by the Author to be published in [insert journal title]

hereafter ('the Journal'). This assignment provides Inderscience the sole right and responsibility to publish the Article, including the right to sub-license publishing or distribution rights to the Article as may be appropriate, in both printed and electronic form; the Article may be published in printed, online, CD-ROM, microfiche or in other media formats.

2. In consideration of this assignment, Inderscience hereby undertakes to prepare and publish the Article named in paragraph 1 in the Journal, subject only to its right to refuse publication as provided in paragraph 5 or if there are other reasonable grounds; in such case Inderscience reverts and assigns to the Author any and all copyright and other rights in the Article otherwise assigned to it under this Agreement.
3. The Editor of the Journal and Inderscience are empowered to make such editorial changes as may be necessary to make the Article suitable for publication. Every effort will be made to consult the Author if substantive changes are required.
4. The Author hereby asserts his/her moral rights under the UK Copyright Designs and Patents Act 1988 to be identified as the Author of the Article.
5. The Author warrants that the Article is the Author's original work, it has not been published before either in full or in part and is not currently under consideration for publication elsewhere; and that the Article contains no libellous or unlawful statements and that it in no way infringes the rights of others, nor it is in breach of any English law, and that the Author, as the owner of the copyright, is entitled to make this assignment. If the Author is the Corresponding Author\*, the Author warrants that where s/he enters into any correspondence about or agrees to any changes to the Article s/he is authorised to act on behalf of any co-authors in doing so and has provided full and accurate information relating to them where required on the understanding that no further changes can be made after signature of this Agreement.

\* The Author designated in the published Article as the individual to contact in the event of an enquiry about a manuscript. The Corresponding Author normally is responsible for correcting page proofs and working with the production editor.
